

PFAS Compliance Statement

This declaration affirms the compliance of P-tec Corporation's products with applicable regulations and standards concerning Per- and Polyfluoroalkyl Substances (PFAS).

P-tec Corporation hereby declares that our products, to the best of our knowledge, are in compliance with the current regulatory requirements concerning the presence and use of PFAS.

Limitations and Exceptions

This declaration acknowledges that while every effort has been made to ensure the accuracy and comprehensiveness of our testing, there may be inherent limitations. Any exceptions to this compliance, where PFAS are present within regulatory limits or in exempted applications, are explicitly noted in the attached documentation.

Commitment to Environmental Responsibility

P-tec Corporation is committed to environmental stewardship and the health and safety of our consumers. We continuously monitor and update our practices in line with evolving scientific understanding and regulatory standards regarding PFAS.

Declaration Validity

This declaration is valid as of the below date and will be reviewed and updated as necessary in response to new regulations, scientific findings, or changes in our product range.
